The Benoit for Supervisor campaign continues to build and attract significant local support and is proud to announce **the endorsement of all four members of the "Playground of the Presidents" - Rancho Mirage City Council: Mayor Gordon Moller, and Councilmembers Dana Hobart, Richard Kite, and Ron Meepos.**

"Speaking as a resident of the City of Rancho Mirage and Riverside County, John's proven leadership makes him the right choice for County Supervisor," said Mayor Gordon Moller. "As a state legislator, John repeatedly fought against the state's attempts to take money from local communities to balance the state budget. When our city needed assistance in Sacramento, John was our go-to guy. That relationship continues today with his service as our Supervisor."

"I am honored to have the trust and endorsement of each member of the Rancho Mirage City Council," remarked Supervisor Benoit. "Since representing the City in the State Assembly, State Senate, and County Supervisor since 2002, we've developed a phenomenal working relationship, and I look forward to working on issues of job creation, public safety, transportation and local government."
